PREFATORY NOTE

The following list of books has been prepared by the members of the Theological Faculty of Victoria College, with the assistance of the Revs. Dr. Chown and T. E. Egerton Shore, who are responsible for the sections on Social Questions and Missions respectively. They send it forth in the hope that it may be of service to their brethren in the ministry, especially to those who, because of their distance from libraries or book-shops, cannot easily obtain the kind of information which is here provided.

All the books named in this list may be obtained from the Methodist Book Room, Toronto, at the usual discount.
